TECHNICAL DATA SHEET

THICK BLEACH – 0207

A clean-smelling, powerful bleach for use in drains, toilets and on floors, keeping them odour free.

- ❖ Kills slime and fungi
- ❖ Eradicates unpleasant odours at source
- ❖ Effective against a wide range of pathogenic organisms
- ❖ Thickened formulation adds cling time for greater effect

USES:

Especially good for cleaning vertical and sloping surfaces found in modern WCs. The viscosity promotes clinging to vertical surfaces which prolongs the contact time.

Effective stain removal and odour control.

DIRECTIONS:

Should be used neat for odour control and disinfection of drains and kitchen sinks. May be diluted for use for cold water bleaching.

Bleach solutions should be used with care and stored safely. Bleach attacks many common materials. Misuse can cause damage to carpets, fabrics, plastics, lino floor coverings and some metals.

Dilute 4 capfuls to 2.5 litres water for dilute solution.

DO NOT USE ON SILK, WOOL, COLOUR, LEATHER OR SPECIALLY FINISHED GARMENTS.

TECHNICAL SPECIFICATION:

Available chlorine: Approx 5%

Colour: Clear pale yellow thick liquid

Storage: When stored upright in original sealed container shelf life is 12 months. Ensure tops are secured and do not leak.

DO NOT MIX WITH OTHER PRODUCTS. May release toxic gas (chlorine).

Safety: Keep out of the reach of children

Irritating to eyes, respiratory system and skin. Wear suitable gloves and eye/face protection. If swallowed, seek medical attention immediately and show this container or label. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wash from skin immediately with plenty of water.
