TECHNICAL DATA SHEET

DRY FOAM CARPET SHAMPOO – 0502

Specially formulated for effective cleaning of carpets with all types of brush operated carpet machines. Active foam suspends dirt, then dries quickly to a non-sticky powder for vacuuming away. Foam cleaning prevents carpets soaking. Safe on all dye fast carpets. Helps prevent re-soiling.

- ❖ Active foam suspends dirt and then dries to a non-sticky powder which is readily vacuumed away.
- ❖ Foam cleaning prevents soaking of carpets – ensures quick drying.
- ❖ Safe on all fast dye carpets.
- ❖ Does not leave sticky deposits.
- ❖ Cleans, brightens and helps prevent re-soiling of carpets.

USES:

Dry Foam Carpet Shampoo is suitable for use with all types of brush operated carpet machines. Safe on all fast dry carpets.

DIRECTIONS:

Use in accordance with machine manufacturer's recommendations. In general use, dilute 1 part to 15 parts warm water for automatic machines. Dilute 1 part to 10 parts water for hand use. Apply fluid sparingly, work up to a good lather with brush. Leave to dry. Vacuum thoroughly.

***N.B:** Not suitable for use with hot water extraction machine. Test a small inconspicuous area of carpet for colour fastness before commencing cleaning.*

Coverage: 12-30 square metres per litre, dependent on type of machines and thickness of carpet.

TECHNICAL SPECIFICATION:

Composition: An aqueous blend of specialised anionic surfactants.

Appearance: Clear liquid

Colour: Pale straw to off-white

Density: 01.025

pH: 7.00

Fragrance: Folia

Stability: Two years in unopened containers in ambient temperatures.

Shaking/warming will disperse any settlement.

Safety: Keep out of the reach of children.

Safety data sheet available for professional user on request.
