TECHNICAL DATA SHEET

ELITE UNPERFUMED ANTIBACTERICIDAL FOAM SOAP – 22027

A specially formulated foaming liquid skin cleanser and sanitiser without fragrance. It will remove daily dirt, grease, oil and grime from the skin.

- ❖ Effective and suitable for both offices and factories
- ❖ Can be used daily because of its mildness.
- ❖ Suitable for food areas as it has no added perfume.
- ❖ Contains emollient to leave the skin soft and supple.
- ❖ Applied via dispensers to reduce the risk of cross-infection.

USES:

Suitable for use in washrooms, offices, canteens, hotels, hospitals and all food areas.

A quality product which only uses the mildest ingredients coupled with skin re-fattening agents. Has proven anti-bacterial action but free from solvents and harsh chemicals.

DIRECTIONS:

Use via foaming system directly onto hands.

Work well into the skin, cuticles and between the fingers, then rinse with clean water and dry.

TECHNICAL SPECIFICATION:

Appearance	White pearlised liquid
Odour	Bland
pH neat	7.5 typical
Boiling point	100C
Water solubility	Soluble

Product is stable under normal conditions. Avoid naked flames, hot surfaces and high temperature sources.

Safety: Keep out of the reach of children.

If in contact with eyes, flush with plenty of water for at least 15 minutes.

If swallowed, drink milk or water. Do not induce vomiting.

If irritation persists obtain medical advice.
